

Rainbow Song

Rainbows shine.

Rainbows shine.

Everywhere.

Everywhere.

They're in the sky.

They're in the sky.

And in my hair.

And in my hair.

They reflect.

They reflect.

Life's mystery.

Life's mystery.

Look around.

Look around.

What do you see?

What do you see?

Red is the color

of the sunrise.

Orange is the color

of the morning sky.

Yellow is the color

of sunbeams.

Rainbows shine for you and me.

Green is the color

of the tall trees.

Blue is the color

of the ocean seas.

Purple is the color

of stormy skies.

Rainbows shine for you and I.

Red is the color

of the sunrise.

Orange is the color of

the morning sky.

Yellow is the color of

sunbeams.

Rainbows shine for you and me.

Rainbows shine for you and me.

Rainbows are everywhere.

They're in the sky and in my hair.

They reflect life's mystery.

Look around. What do you see?
