

The Thank You Song

Sometimes saying thank you
is simply quite enough.

Like when your mother hugs you
with a simple, tender touch.

Smiling at a friend,
whose helped you
lent a hand.

Sometimes saying thank you
is simply quite enough.

So let's say Thank you

Thank you.

Let's say Thank you

Thank you.

Let's say Thank you

Thank you

as often as we can.

We can say Thank you

with many different words.

Gracias and Merci

Danka and Bedankt.

Arigato and Obrigado

Spaseebo and Che Che*, (*Xie, Xie*)

Kamsa-ham-nee-da.

Merci

So let's say Thank you

Thank you.

Let's say Thank you

Thank you

Let's say Thank you

Thank you

as often as we can.

So let's say Thank you

Thank you.

Let's say Thank you

Thank you

Let's say Thank you

Thank you

as often as we can.

as often as we can.

as often as we can
